CRIME REPORT

Around March 7 graffiti was found on the ponding wall at Princeton & Cutler, a Toyota van and a resident's house at 2617 Cutler. A nearby garage door was sprayed with bright neon paint and a huge black swastika was spray painted on the back wall facing the flood control road. There were disparaging comments about two unknown neighbors also on the wall.

Mail was recently stolen from a resident's mail box on Cutler. Take your outgoing mail to a post office if possible.

On March 8th a resident on Notre Dame had her house broken into. The burglars got in through a glass window, taking off the whole frame of the window. The alarm went off but they still took jewelry.

After reporting a crime or suspicious activity to APD (242-COPS), please contact a board member.
