Crime Report

A young man selling magazines for points towards a trip to Italy stopped at a residence on Harold PL on the night of April 22 disturbing the resident with his aggressive behavior and hyperactivity. He even mentioned the names of people the resident knew in order to sell his magazines. He has been seen in other parts of the neighborhood and he represents an out of town company. He had a very aggressive approach.

On April 22 near 1800 Princeton two men with a tool box knocked on the door of the residence and asked to go through the house to check on utilities in the back yard. They didn't show identification. The cleaning lady called the owner who advised not letting them through the house. They left. The owner notified police.

Around April 20 graffiti was discovered on the cement panels bordering the freeway at the Urban Park. 311 was called and almost immediately the graffiti was cleaned-up.

On May 9 in the TCA Parking lot there was a theft.

On May 10 near the NW corner of Netherwood Park a car window was broken with lots of glass left.
